

WEEKLY CLEAN-UP

Village residents are encouraged to use their new large garbage tote-bin for disposal of clean-up items on a **weekly basis**, instead of waiting for the Clean-up Days.

During our future Clean-up Day events, discarded items will **NOT** be accepted if they would have easily fit into the new garbage tote-bin; the two dumpsters available to the Village will be reserved for larger items.

Unwanted metal products of any size will continue to be accepted for recycling during Spring & Fall Clean-up Days.

CLEAN-UP WEEKLY
